

Governing Body - Code of Conduct

The Governing Body accepts the following principles and procedures:

General

We have responsibility for ensuring that the school is conducted according to the following Ethos Statement.

“ The school was founded by and is part of the Catholic Church. The school is to be conducted as a Catholic school and in accordance with Canon Law and teachings of the Roman Catholic Church, and in accordance with the Trust Deed of the Diocese of Westminster. “

We have responsibility for ensuring that the school is conducted according to the Trust Deed which states that the school is provided “ for the maintenance and advancement of the Roman Catholic Religion”.

This code sets out the expectations on and commitment required from governors in order for the governing body to properly carry out its work within the school and the community.

The purpose of the governing body

The governing body is the **school’s accountable body**. It is responsible for the conduct of the school and **for promoting high standards**. The governing body aims to ensure that children are attending a successful school which provides them with a good education and supports their well-being.

The governing body:

- Sets the strategic direction of the school by:
 - Setting the values, aims and objectives for the school
 - Agreeing the policy framework for achieving those aims and objectives
 - Setting statutory targets
 - Agreeing the school improvement strategy which includes approving the budget and agreeing the staffing structure

- Challenges and supports the school by monitoring, reviewing and evaluating:
 - The implementation and effectiveness of the policy framework
 - Progress towards targets
 - The implementation and effectiveness of the school improvement strategy
 - The budget and the staffing structure

- Ensures accountability by:
 - signing off the school’s own self-evaluation report
 - responding to Ofsted reports and other agency reports when necessary
 - holding the headteacher to account for the performance of the school
 - ensuring parents and pupils are involved, consulted and informed as appropriate
 - making available information to the community

- Appoints and performance manages the headteacher who will deliver the aims (through the day to day management of the school, implementation of the agreed policy framework and school improvement strategy, and delivery of the curriculum) and report appropriately to the governing body.

For governing bodies to carry out their role effectively, governors must be:

- Prepared and equipped to take their responsibilities seriously;
- Acknowledged as the accountable body by the lead professionals;
- Supported by the appropriate authorities in that task; and
- Willing and able to monitor and review their own performance.

The role of a governor

In law the governing body is a corporate body, which means:

- no governor can act on her/his own without proper authority from the full governing body;
- all governors carry equal responsibility for decisions made, and
- although appointed through different routes (i.e. parents, staff, Local Authority community foundation), the overriding concern of all governors has to be the welfare of the school as a whole.

General

- We understand the purpose of the governing body and the role of the headteacher as set out above
- We are aware of and accept the Nolan seven principles of public life: see appendix 1
- We accept that we have no legal authority to act individually, except when the governing body has given us delegated authority to do so, and therefore we will only speak on behalf of the governing body when we have been specifically authorised to do so.
- We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- We will encourage open government and will act appropriately.
- We accept collective responsibility for all decisions made by the governing body or its delegated agents. This means that we will not speak against majority decisions outside the governing body meeting.
- We will consider carefully how our decisions may affect the community and other schools.
- We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our school. Our actions within the school and the local community will reflect this.
- In making or responding to criticism or complaints affecting the school we will follow the procedures established by the governing body.

Commitment

- We will agree that information such as our name, responsibilities, committees, term of office and appointing body will be published on the web site.
- We agree that any register of pecuniary interests will be published on the web site.
- We acknowledge that accepting office as a governor involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the governing body, and accept our fair share of responsibilities, including service on committees or working groups. Each governor will ensure they have active membership of at least one subcommittee.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance in full why we are unable to.
- We will get to know the school well and respond to opportunities to involve ourselves in school activities.
- Our visits to school will be at least annually and ideally termly and will be arranged in advance with the staff and undertaken within the framework established by the governing body and agreed with the headteacher
- We will consider seriously our individual and collective needs for training and development, and will undertake relevant training
- We are committed to actively supporting and challenging the headteacher.
- All governors will ensure that they hold a current DBS

- We will seek to develop effective working relationships with the headteacher, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside school. (items discussed in part 2 of meetings)
- We will exercise the greatest prudence at all times when discussions regarding school business arise outside a governing body meeting.
- We will not reveal the details of any governing body vote.

Conflicts of interest

- We will record any pecuniary or other business interest that we have in connection with the governing body's business in the Register of Business Interests. These will be considered as an agenda item at the start of each meeting.
- We will declare any pecuniary interest - or a personal interest which could be perceived as a conflict of interest - in a matter under discussion at a meeting and offer to leave the meeting for the appropriate length of time.

Breach of this practice

- If we believe this code has been breached, we will raise this issue with the Chair and the Chair will investigate; the governing body should only use suspension as a last resort after seeking to resolve any difficulties or disputes in more constructive ways;
- Should it be the chair that we believe has breached this code, another governor, such as the vice chair will investigate;
- We understand that any allegation of a material breach of this code of practice by any governor shall be raised at a meeting of the governing body, and, if agreed to be substantiated by a majority of governors, shall be minuted and can lead to consideration of suspension from the governing body.
- We are aware of the provisions of regulation 15(1) of the School Governance (Procedures) (England) Regulations 2003, as amended, which pertain to the grounds for suspension as a school governor and of Schedule 6 to the School Governance (Constitution) (England) Regulations 2007 relating to the disqualifications from the role of school governor (held as a separate document)

The Governing Body of St Joseph's School adopted this code of practice on 6th October 2015. Thereafter Governors will sign the Code at the first governing body meeting of each school year.
