1st December 2017

Settling into Nursery

We have had a wonderful start to the new year in Nursery and all the children have settled. The children have been very busy exploring and learning new routines.

Thank you very much for your patience and support whilst we settled the children.

We encourage parents to allow the children to find their own names when they come to Nursery.

We encourage parents to talk to the Nursery team often. This will help us support the children as they learn.

Have a lovely weekend.
The Reception Team

Spare clothes

All the children need spare clothes. Please bring a set of spare clothes every week. ALL items should be clearly marked with your child's first name.

We enjoy learning through play and that includes messy and wet play.

Religious Education

In religion we are learning about the birth of Jesus. This is helping us to understand our Nursery Christmas Concert.

Nursery Christmas Concert.

This year we are having one Nursery Christmas Concert on the 11th of December at 11:00am.

Next week we will be ...

Learning how to recite numbers in order

Encourage your child to recite numbers in order. Please praise them for trying and model how to recite correctly with them.

Listen to stories and retell the story

Read to your child and encourage them to retell the story. Look at the pictures in the story and give them time to talk about the pictures in the story
