

St Joseph's Catholic Primary School

Nursery Newsletter

Spring Term
2nd February 2018

Home learning

We are reading The Very Hungry Caterpillar this week. Please read the story to your child and ask them questions about the book. Talk about what happened in the story.

We are going to use the story to support our focus on Maths next week. Discuss the number of fruit the caterpillar ate. The children can help count the fruit and vegetables at home.

Learning in Nursery

Next week we are learning how to do things for ourselves. Please encourage them to wash their hands independently. Encourage them to zip up their coats. Doing things independently prepares us to be independent learners.

Reading

Encourage the children to read to you using the pictures in the books. It is a good skill that helps them to look at books on their own or with friends in school.

Phonics

Our sound for this week is **m**.

Parent meetings

Thank you to the parents we have had parent meetings with already. Please talk to the Nursery team if you want to change your time. We are trying to see all parents before you pick up your child. We love hearing what they are doing at home. Please share their amazing pictures with us.
