Spring Term
9th February 2018

Learning in Nursery

Reading

Our topic for Spring 2 is Traditional Stories. We are going to start with Goldilocks and the Three Bears. We are going to focus on the events in the story for the first week.

Literacy

We are currently learning how to copy our names. Please support the children to copy their name during the half term. Also encourage them to write their names independently.

Phonics

We are learning initial sounds in phonics. Please help the children as they try to write the sounds we have learnt in school.

Maths

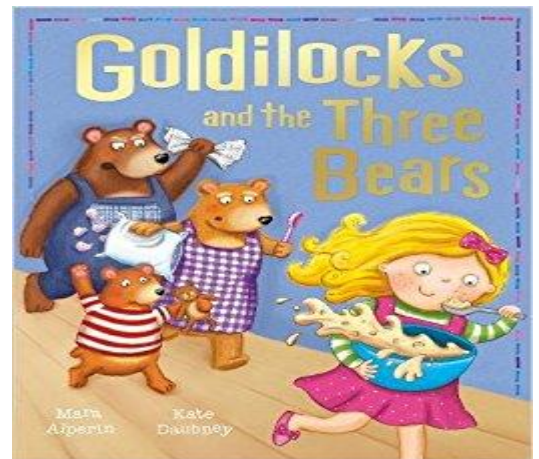

We are using our story of the week to learn about size.

Religious Education

We are going to learn about Good Friends in RE for Spring 2. We are going to talk about sharing, helping others forgiving and saying sorry.

We will also learn about Easter.

Story of the week

Home learning

We have completed 50% of our Nursery year. We are going to use the rest of the year to prepare our children for Reception.

We encourage parents to use the half term to help our children do things independently. Please let them dress up, wash their hands and eat independently.

When our children are independent the staff have more time to support their learning.
