### Star of the week

Last week our Star of the week

was

**Jiwon**

Well done, Jiwon, you have done fantastic tidying up.

### Story of the week

This week we have chosen a book about jungle animals as the children have loved the animals. This wonderful book describes different jungle animals and what they do.

### Religious Education

#### 'The Ascension'

We are continuing to explore this amazing feast through creative arts and role play.

### This week we will also be:

#### Exploring rhyming words

- Maybe you have a favourite rhyming story at home that you could read at bedtime.

#### Finding out about different Jungle animals

- Maybe your child can find out a fact about their favourite jungle animal, or draw a picture for their special book. If your child has been to the zoo you may have a picture of their favourite animal.

#### Making tropical fruit smoothies

- You could make healthy fruit smoothies at home- delicious! Maybe you could introduce fruit they haven't eaten before. Cut the fruit up and show your child the seeds inside.

N.B. We will be using pineapple, mangoes and bananas in our smoothies. Please let us know if your child has an allergy to any of these.

### Song of the week

#### Down in the Jungle

(the children have absolutely loved this song and we will be adding some new animals from our story of the week!).

#### Keeping safe in the sun

Now that the weather is getting hotter, please ensure that your child is wearing a sun hat to nursery.

Also, please make sure that you apply sun cream.

#### Junk Modelling

- Please could you send in card board boxes, tubes etc.
- We are looking for long tubes of **unused** open guttering so that the children can use them outdoors for water play etc.
