Summer Term
16th April 2018

Learning in Nursery

Welcome to Summer Term. Our topic for Summer 1 is growing.

Reading

Our book for this week is Titch. We are going to learn about how we grow for the next two weeks.

Literacy

We are revising how to write our names. Please encourage the children to write their names independently.

Phonics

We are revising how to say initial sounds. Please help the children as they try to write the sounds we have learnt in school.

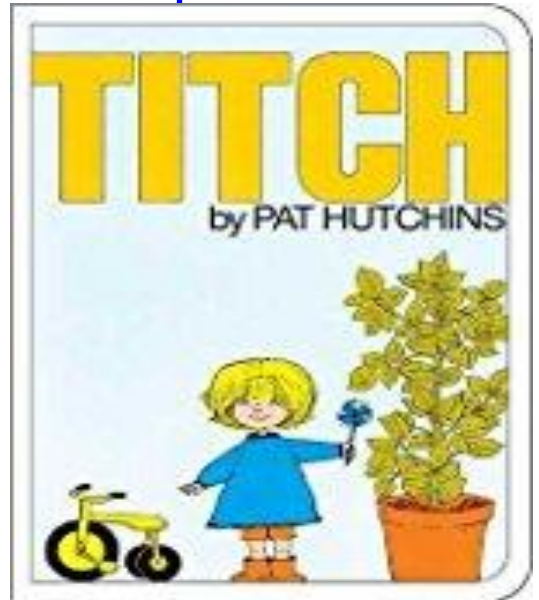

Maths

We are revising how to write numbers 1 to 10. Thank you for supporting our children as they learn how to write these numbers.

Religious Education

In RE we are learning about New Life. We are going to talk about why we celebrated Easter.

Story of the week

Parents meetings

We are continuing to meet our parents to share all the wonderful and exciting things we learn in Nursery. We encourage parents to talk to the team all the time not only during our formal meetings.

Spare clothes

We learn through play in Nursery and that includes very messy play. We encourage parents to bring in spare clothes all the time.
