Star of the week

Last week our Stars of the week were

Liam.L & Pia

Well done, Liam. L & Pia you role-played really nicely in our doctors corner and can talk about what doctors and nurses do to help us.

Story of the week

As part of our 'People who help us' theme, we will be sharing factual and story books about the police .

Religious Education

Church

This week the children will be visiting the chapel in the junior school. We will be talking to the children about their experiences of going to church. The children will hear that the church is a holy place where we can all go to pray and where we feel welcome.

Song of the week

999 Emergency Song

999, 999

Emergency, emergency!
People can help us

Police and fire and ambulance,
If you need help, you know what to do
Call 999.

Mufti Day

This summer Miss Jolliffe is travelling to Delhi to volunteer in the slums to teach where school simply is not an option.

We invite all of the children to come in on Thursday 22nd June wearing cultural clothing of India or colours that represent the flag of India.

We would suggest a donation of £2, or whatever you can afford to raise money for this charity.

Keeping safe in the sun

The weather forecast for the next week says that it will be very hot.

Just a reminder- please can you apply sun cream before your child comes into Nursery.

Please can you send your child in with a sunhat and make sure that you have labelled it clearly.

Date for you diary

The Nursery children are taking part in a Sponsored Tricycle/Scooter Ride on Monday 26th June in the morning and Friday 30th June in the afternoon. The money raised will be used to buy resources and equipment. As part of the Sponsored Ride, your child will do two laps of the Nursery playground.
