Stars of the Week

Last week our 'Stars of the Week' were

Theo and Olivia

Well done Theo! You helped the visiting Scientist with his experiment.

Well done Olivia! You showed real interest when learning about how materials change.

Story of the week

This week we have chosen the story of 'Smiley Shark'. This shark may look scary but the other sea creatures are surprised to find out that he is, in fact, really kind!

Religious Education

This week we are learning that Jesus forgave those who hurt him and that we can forgive other people when they hurt us.

Weekly Vocabulary

shark

net

smile

Jesus

starfish

Song of the week

The Shark song

Oh there's a shark, a baby shark,
He lives in the ocean, he has sharp teeth,
He has a fin, a tiny fin and that's the end.

Continue with a mummy shark, a daddy shark and a granny shark! (add words to show the fin is getting bigger!)

Lost Property

Please check the name label in your child's jumper (etc.) to ensure that your child has not taken another jumper by mistake. Also please do not send your child into Nursery wearing expensive hair clips, as these are easily lost. Thank you!
