### Star of the week

Last week our Stars of the week were

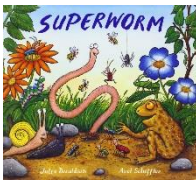

Isla. S & Leon

Well done, Isla and Leon. You know lots of facts about the minibeasts we have looked at this week.

Well done Isla and Leon

### Story of the week

This week we have chosen a book about one of the animals we have enjoyed finding in the Nursery garden, 'Superworm'

### Religious Education

#### New Life

This week we will be reading about 'The Ascension'. We will be discussing the different ways in which we can say goodbye and reading the story of when Jesus goes back to his Father in Heaven.

### Song of the week

There's a worm at the bottom of the garden,  
And his name is wiggly woo.  
There's a worm at the bottom of the garden,  
And all that he can do,  
Is wiggle all night and wiggle all day,  
The people around here, they always say,  
There's a worm at the bottom of the garden,  
And his name is wiggly woo.

(We will ask the children to add other minibeasts, eg. snail, caterpillar, ant and add words such as slither and crawl!)

### Ideas for supporting learning at home

#### Make a wormery

Make a wormery using an old jar or bottle. They are very simple to make. There are some ideas in the following link.

[http://www.bbc.co.uk/gardening/gardening\\_with\\_children/homegrownprojects\\_watchworms.shtml](http://www.bbc.co.uk/gardening/gardening_with_children/homegrownprojects_watchworms.shtml)

#### Ordering animals and objects by height

- Can your child put their teddies/toys in height order?
- Ask questions such as, Which is the tallest? Which is the shortest?

### PALS

#### Session 10: Calming down and speaking up

The children will be learning how to take three deep breaths and to use a brave voice to express needs and feelings. We will be demonstrating how to ask adults for help.

### Key Vocabulary

worm

web

lizard

snail

toad

honey
