Learning in Nursery

Reading

Our topic for Spring 2 is Traditional Stories. This week our story is The Gingerbread Man. Please read the story to the children and talk about the events in the story.

Literacy

We are currently learning how to copy our names. Please encourage the children to write their names independently.

Phonics

We are learning initial sounds in phonics. Please help the children as they try to write the sounds we have learnt in school.

Maths

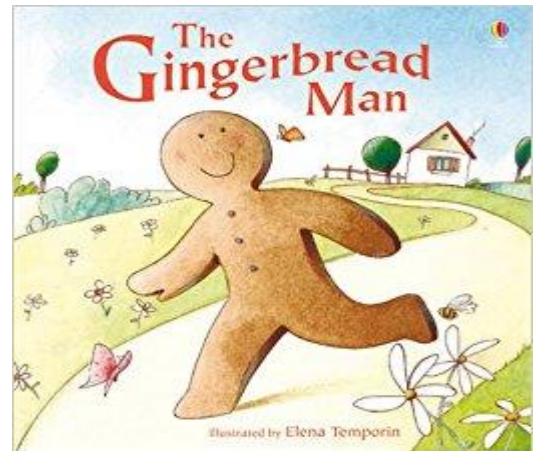

We are learning about shapes this week. Talk to the children about the different shapes they can see at home.

Religious Education

We are learning about Good Friends in RE. Talk to the children about sharing with their friends.

Ask them to talk about how they play with their friends in school.

Story of the week

Mother's Day Celebration

On Friday 9th March our Nursery Mothers, Grandmothers and Female Role Models are invited to join us for a very special Mothers Day Celebration Concert.

Please join us in the Pope Francis Hall at 2:00pm, and for refreshments afterwards in the Vincent James Hall (Catherine Kasper Building).

You are invited even if your child is not in Nursery on Friday 9th March 2018.
