Stars of the week

Last week our Stars of the week were

Well done, Jeziree and Leon, you have shown us how creative you are in your wonderful paintings and drawings.

Story of the week

We have chosen a classic Julia Donaldson book, 'Monkey Puzzle'. In this story the butterfly is trying to help a baby monkey find his mummy.

Religious Education

The Church

This week, the children will continue to learn about the church as a holy place where we can go to pray and where we are always welcome.

Song of the week

Five green bottles, hanging on the wall,
Five green bottles, hanging on the wall,
And if one green bottle should accidentally fall,
There'll be four green bottles hanging on the wall.....(count down to one!)

Sponsored Cycle

Just a reminder that we have our Nursery 'Sponsored Cycle' on Monday 26th and Friday 30th, this week.

All of the children will have the chance to complete two laps of the Nursery playground, using the Nursery wheeled toys. The money raised will be used to buy much needed resources and equipment.

Please return all sponsorship money by Friday 7th July. Thank you for your support!

Supporting learning, at home

The Church

When you are in church, talk to your child about all of the different things that they can see. Talk to your child about the statues, the candles, the holy water, the altar and the tabernacle, etc.

Matching animals with their young

Talk to your child about animal life cycles. You could try to find a book in the library, or watch a short video clip, about animals and their babies.
