Dear Parents,

I know you want the best for your child, and the whole team at St. Joseph's Catholic Primary School is committed to making sure you get it but school is only part of the answer. The evidence suggests that life outside school is just as important, if not more.

I know from talking with parents that many of you wonder what you can do to give your children the best start in life (and make your life as a parent a bit easier too). This is why we are delighted to offer Parent Gym, a well-established, six week programme that reveals practical tips and techniques for parents who want the best for their children.

The programme normally costs £250 per parent but we have secured 20 places **for free** for parents at St. Joseph's Catholic Primary School. These will be given out on a first come, first served basis.

The Parent Gym workshops will run on a Tuesday for six weeks at St Joseph's School. Each session will last two hours. The first taster session will be on Tuesday 24th January at 1:00pm.

If you would like to sign up for this **FREE** course, please complete the slip below and return it together with the completed back page of the attached leaflet.

For more information on Parent Gym go to www.parentgym.com or speak to **Mrs Rodrigo, Learning Mentor at St Joseph's.**

Yours sincerely,

Miss Z Flitton
Deputy Headteacher
