Home Learning

This week we will be learning about The Christmas Story.

Encourage your child to practise the songs for their Nursery Rhyme Nativity performance.

The children will be learning the days of the week.

Each day remind your child what day it is. Talk to them about what happens each day.

The children will be learning the months of the year.

Talk to your child about what month they were born in – what is the weather like during their birthday month.

The children will be learning about the four different seasons – summer, spring, autumn and winter.

Talk to your child about each of the seasons. Ask them what they look like, feel like and sound like.
