Mother's Day Celebration

On Friday 9th March our wonderful Reception Mothers, Grandmothers and Female Role Models are invited to join us for a very special Mother's Day Celebration Concert. Please join us in the Pope Francis Hall at 2.00 pm, and for refreshments afterwards in the Vincent James Hall (Catherine Kasper Building).

Home Learning

Please have a wonderful half-term with your children and continue to practise reading, writing, counting, adding and subtracting over the week.

Big Talk

To develop communication and language skills and encourage children to talk about their world and experiences outside of school, we will be asking your child about his/her weekend on Monday mornings. Questions we will ask are: What did he/she do? Who with? Where? Please talk to your child about activities, events and celebrations you have together over the weekend.

Golden Moments

Please remember to send in your child's 'Golden Moments'. You will have received a Golden Moment sheet in your child's book bag. The Golden Moment is a chance for us to celebrate something special that your child has done at home.

It could be anything from writing a sentence, solving a maths problem, being helpful or keeping their bedroom tidy!

Religious Education

Our new theme will be Sorrow and Joy. We are going to be reflecting on the importance of Being kind and helpful to others and not to hurt them.

Encourage your child to think of ways that they can be especially kind and loving as we journey through Lent.
