### Religious Education

First Sunday of Advent

We will be introducing the Advent Wreath to the children, as we begin our Advent journey together. Encourage your child to look at the Advent Wreath and candles in church, this Sunday.

### Christmas lunch

The children will be served their Christmas lunch on Wednesday the 6th. The children are invited to come into school wearing a Christmas jumper or top.

### Home Learning

This week we will be revising the sounds we have learned and introducing some new sounds.

Encourage your child to use the sounds which they have learned so far when they are reading and writing at home.

We will be exploring the early concepts of addition. Encourage your child to practise simple addition, using objects around the home and in their environment.

We will be exploring the story of 'The Jolly Christmas Postman'.

Talk to your child about the various characters from the story, such as the Jolly Christmas Postman, Cinderella and the Three Bears.

You could talk about the reasons why we give cards to friends and family at Christmas. Model writing a Christmas card. Encourage your child to write their own Christmas card and ask them questions, such as, *Who would you like to give a card to? Why? What would you like to write in your card?*

*You could let your child put the card in an envelope and encourage them to watch you as you write the address. They could even put a stamp on the envelope and post it! Discuss what happens next and how it gets delivered.*

The Travelling Nativity bags are still being sent home with children.

Please share the Nativity story with your child and return the bag to class the following morning. Thank you!

### Bookbags

We have started to send home the reading record books. We would appreciate your comments on your child's reading.
