

# "Fun with chess"

Dear Parents,

**Complete the chess course and win the Rookie chess badge.**

"Fun with Chess" is designed to inspire children in Y1 to Y6 to improve their mental agility by playing chess. Each session will consist of, casual games with analysis, a challenging puzzle and a lesson from our chess syllabus. Thank you to all parents for being there to collect your children at 4.30 pm. This allows me to get to my next coaching session on time.

If there is any change in arrangements in collecting your child after chess club please send written permission by email or you have phoned the school to advise the reception before the end of the day.

The skills acquired in learning chess will enhance your child's logical thinking and rational alertness. Other benefits of chess are improved creativity, concentration, critical thinking, abstract reasoning, and pattern recognition skills. We will be looking at tactics in Middle game and skills in winning the endgame. I am hoping to arrange a friendly match with another local school to get experience.

There are 11 sessions during The Autumn Term from Wednesday 13<sup>th</sup> September to 6<sup>th</sup> December 2017. Our fees for the term are £ 75.90 excluding a two week half term on 19/10, 26/10 Please note that fees are non-refundable in the event of absences.

**Payment Method:** Cheque payable to **St Joseph's RC Primary School**  
**Please ensure the application is sealed in an envelope marked 'Chess Club' with the child's name on the front and hand to the school office.**

Regards Mr. Kumar Chess Teacher Email: [tony@mrcorfe.com](mailto:tony@mrcorfe.com) Mobile 07973 516718 (9am – 9pm)

Return to school office by 5<sup>th</sup> July 2017. **St Joseph's Autumn Term 2017**

Please enrol my child in School Chess Club held on Wednesday afterschool 3.15 to 4.30 pm
