Star of the Week

Last week our 'Star of the Week' was

Jaden

Well done, Jaden! You have been superb at counting the fish in our water tray!

We hope you had a lovely Easter!

-

This week we will also be:

Counting pirate treasure!

We will have fun exploring different numbers by digging for pirate's treasure. Take a number of golden coins, eg. 5 and show your child that you can separate the 5 golden coins in different ways eg. 4 and 1, 3 and 2 but the number of coins will always be 5. Are there any other ways 5 can be separated?

Exploring the outdoor area to observe signs of Spring and new life.

Go for a walk in the park and look for signs that show the change of season. What signs of new life can they see? Look for daffodils and other spring flowers, blossoms on the trees etc.

Perhaps you can take photos and send them in. Your child could draw a picture for their special books!

Practising writing names

Keep encouraging your child to explore writing the letters in their names. Start with a capital letter and continue with small (lower case) letters, eg. Matthew

Story of the week

Ahoy there everyone! This week we are reading a swashbuckling pirate's story!

Religious Education

The children will be learning about the joy of Easter and that Jesus is risen and alive! In your prayer times together, talk about the times that your child has felt joy and encourage them to thank God for the wonderful things they have experienced at Easter.

Song of the week

Clap your hands together, let's dance and sing (x3)
We're so happy because it's spring.

Jesus, Jesus, Jesus is alive (x3)
Halleluia, Halleluia
(to the tune of John Brown's Body)

Nursery Parent Representative

Are you interested in becoming a Parent Representative? If so, please let a member of the Nursery Team know this week. You will have the opportunity to relate opinions suggestions and wishes of the other parents/carers. We really value the thoughts and opinions of our parents/carers in Nursery! If we have more than one interested parent, we will be fair and draw a name out of our Nursery Hat! Thank you for your support.

Friends of St Joseph's

The school is also looking for new 'Friends of St Joseph's'. Do you think you can offer some time to support our excellent school? This is an opportunity to make new friends and to make a significant contribution to the children's school life. Please let us know if you are interested.
