

Barnet parent & carer experiences / perspectives - SEND Special Educational Needs & Disability Support in Barnet Parent & Carer Workshop

Wednesday November 2nd 10am – 12pm at BEST Hub

Barnet SEN Team and Inclusion Services are running a parent / carer workshop to gain the perspectives of the parent / carer community regarding current local SEND processes. The session will attempt to capture some of the experiences that Barnet families have been through and utilise this information to develop new improved ways of working together.

This is an opportunity to share feedback and help shape future SEND processes in Barnet.

There will be key professionals from the relevant SEN and Inclusion teams to facilitate a session that encourages the parent / carer community to share constructive feedback with an aim of improving the existing Barnet offer.

Examples of areas that the parent / carer session will address:

- Application process for statutory assessments and Educational Health and Care Plans (EHCPs)
- EHCP documentation
- SEN Support in schools (e.g. SEN Support Plans)
- Accessing appropriate services / professionals
- Barnet's Local Offer
- Information sharing and communication with parents, carers and families

To confirm your attendance at the session please utilise the following contact details to inform the SEN and Inclusion Teams:

Pakeezah Rahman (Specialist Team Support Officer)

Email: pakeezah.rahman@Barnet.gov.uk

Tel: 020 8359 5554

Weds 2nd November 10am – 12pm
