Star of the week

Last week our Star of the week was

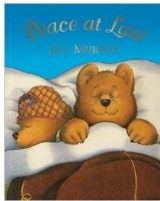

Amelia

Well done, Amelia, you are trying really hard to listen and answer questions during carpet time.

Story of the week

Our story this week is 'Peace at Last'. We will use this story to talk about some of the sounds they can hear at home.

Religious Education

Getting to know Jesus

Thank you for bringing in your family photographs. The children have loved showing them at circle time.

This week the children will be painting and drawing family pictures. We will also have a short prayer time thanking God for our family and knowing we are all part of God's family.

Song of the week

God loves You

God loves you, and I love you, and that's the way it should be.

God loves you, and I love you, and that's the way it should be.

In Nursery this week

Here are some ideas of ways in which you can support the children's learning at home;

Making jelly- the children will be helping to tear the jelly and watch what happens when we add the hot water. We will be encouraging them to guess what they think will happen to the jelly.

Number- We will be comparing quantities of objects talking about who has more or less and counting to check if they are right.

Making poppies- We will be making and painting poppies this week to remember the soldiers.

Reminder

The Nursery children will be taking part in a sponsored walk on Tuesday morning and Thursday afternoon. The children can come to Nursery dressed as their favourite Superhero, sports hero or Princess. The money raised from this event will be used to buy much needed resources for the Nursery.
