Star of the week

Last week our Star of the week was

Benedict

Well done, Benedict, you are trying really hard to listen and answer questions during carpet time.

Story of the week

This week we have chosen a lovely book about a little squirrel who loves Autumn.

Religious Education

Getting to know Jesus

This week we will be looking at the things the environment that God created. We will be saying our daily prayer and thanking God for all the things in the world that He created.

Spiritual Lessons
A Companion Gospel from Discy

Song of the week

Autumn Leaves

(To the tune of London Bridge is falling down)

Autumn leaves are changing colour (x3)

All over town

(Repeat verse again, with the final line... Down to the ground)

In Nursery this week

We have so many lovely activities planned for this week. Here are some ideas of ways in which you can support the children's learning at home;

Autumn walk- the children will be searching for colourful leaves, conkers and other signs of Autumn. On your way home from Nursery encourage your child to search for signs of Autumn and talk about them together.

Creative activities- Use the items found on your way home from Nursery to make Autumn collage. You could also try to do some leaf or bark rubbings.

Number- Sing number songs with an emphasis on ordering numbers. Call out a number and ask your child to clap that many times!

Thank you

We raised £37.50 in Nursery for CAFOD. It is not too late to donate!

CAFOD
Just one world
