Dear Parents

Wednesday 30th November is the last chess club for this term. The 17 children have progressed well this term. Thank you for your support given to our chess coach, Mr Kumar. The numbers have remained a little low this term so will not currently support two coaches.

Children will continue to learn basic checkmate patterns, combined tactics, chess openings and simple endgames in the Spring Term. Weekly Chess Club also includes casual games and analysis.

Planning for Spring Term 2017:

Children in Year 1 to Year 6 are welcome whether they are complete beginners or experienced players. **To reserve your place** please send your completed registration form to the school office, in an envelope marked "Chess Club" **no later than 30th November or post it** to my home to reach me by 16th December. ***If making your payment early is difficult, please send the completed form to meet the deadline so we can decide whether there will be two chess coaches in January. You may then make your payment on 11th January.***

There will be **10 sessions**: 11th January to 22nd March. Our fees for the term **will remain at £6.90 per session**. The total for this term is **£ 69.00**. If this creates issues for your family please do contact me in confidence. Please note that fees are non-refundable in the event of absences or closure of the school for any reason.

If you have any further questions please do not hesitate to telephone me on 07973 516718.

Yours sincerely,

Tony Corfe (Chess Teacher)

Payment: Cheque payable to St Joseph's RC Primary School

Please ensure the application is sealed in an envelope marked 'Chess Club' with the child's name on the front and hand to the school office.
