6th February 2019

**STEM WEEK
W/C 17TH JUNE 2019**

Dear Parents/Guardians

We are planning a KS2 (Year 3-6) STEM (Science/Technology/Engineering/Maths) week, the week beginning 17th June.

We are hoping that some parents/family members would be willing to come in on **Friday, 21st June** and talk at an assembly about their career which involves either Science/Technology/Engineering/Maths. As you know, these are all vital subjects in our ever-changing world and it would be fantastic if parents would come and share their roles and professions with the children to inspire and motivate them. The time of the assembly would be 1.30pm and ideally parents/family members would share information for around five minutes each.

If you would like more information, please contact Miss Jolliffe or Miss Matthews. We would really appreciate your support with this STEM assembly.

Many thanks.

Yours sincerely

Miss N Matthews
Maths Leader

Miss A Jolliffe
Science Leader
