17th May 2019

Dear Reception Parents,

Reception visit to Willows Activity Farm Thursday, 27th June 2019

We are delighted to announce that we have booked our summer term trip. We will be going to Willows Activity Farm on Thursday 27th June 2019.

This is a fantastic opportunity for the children to see a variety of farm animals and to even ride on a tractor! A trip to Willows Activity Farm allows children to explore the countryside, its animals, how animals and humans work together, where the food they eat comes from and the importance of outdoor activity.

The children will be travelling by coach to Willows Activity Farm and will need a healthy packed lunch and drink for the day in a named plastic bag (all items to be disposable and NO glass bottles or cans). We will be leaving school at 9:15am and will return to school at 3:00pm. The children will need to wear their school PE kit and a school sunhat.

The cost of the trip is £23.00 which covers the ticket and cost of the coach. Your consent and contribution towards this trip needs to be made online by **Friday 14th June 2018**.

We will require some parent volunteers to help chaperone. There will be no charge for the parent volunteers. If you are willing to accompany us on the day, please email into the school office (office@stjosephs.barnet.sch.uk) or let your child's class teacher know. We imagine this will be a very popular trip so we will be randomly selecting parents to help in the interest of fairness. We are sure you understand and will support us in this.

Yours sincerely,

Miss July
