8<sup>th</sup> July 2019

Dear Y6 Parents

## Year 6 PSHE

Year 6 will be continuing this term with the PSHE course that they were introduced to this time last year while in Year 5.

Just as a reminder the Health Education curriculum is part of the Science, RE & PSHE (Personal, Social, Health & Economic) education programmes recommended by the National Curriculum and Barnet Local Authority.

Development of this curriculum is being supported by CWP Resources – an organisation which specialises in supporting teachers to plan and deliver high quality PSHE lessons and has been working successfully with schools, including Catholic schools, across London and other parts of the country since 1995.

These lessons will include aspects of relationship and sex education (RSE) recommended by the Catholic Education Service. Details of the lessons are set out in the RSE Policy which can be found on the school website (<https://www.stjps.org/policies>). The lessons are carefully designed to be appropriate for each age group and to address the needs of all children in the class.

The main topics we will be covering are as follows:

- Puberty and Reproduction
- Understanding Relationships
- Communication in Relationships

If you have any questions with regard to the lessons, please do not hesitate to contact myself or your child's class teacher.

Yours sincerely

**Miss Z Flitton**  
**Deputy Headteacher**
